ACHIEVE MORE

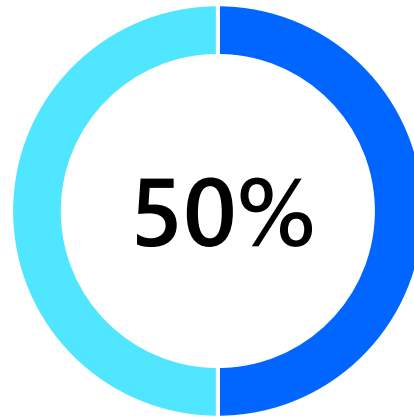

Many automation opportunities within organizations

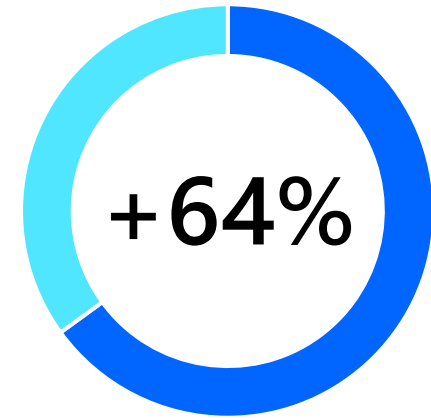

Workforce innovation

60% of all occupations have at least 30% technically automatable activities.

Higher productivity

Almost half of work activities globally have the potential to be automated using current technology.

Faster time-to-insights

Collecting and processing data are among the activities with the highest automation potential.

Think of what your school could accomplish with more time to focus on what matters the most.

More accurate
data across
systems

Reduce
human-error

Faster output
at a lower cost

More time for
innovation
and strategy

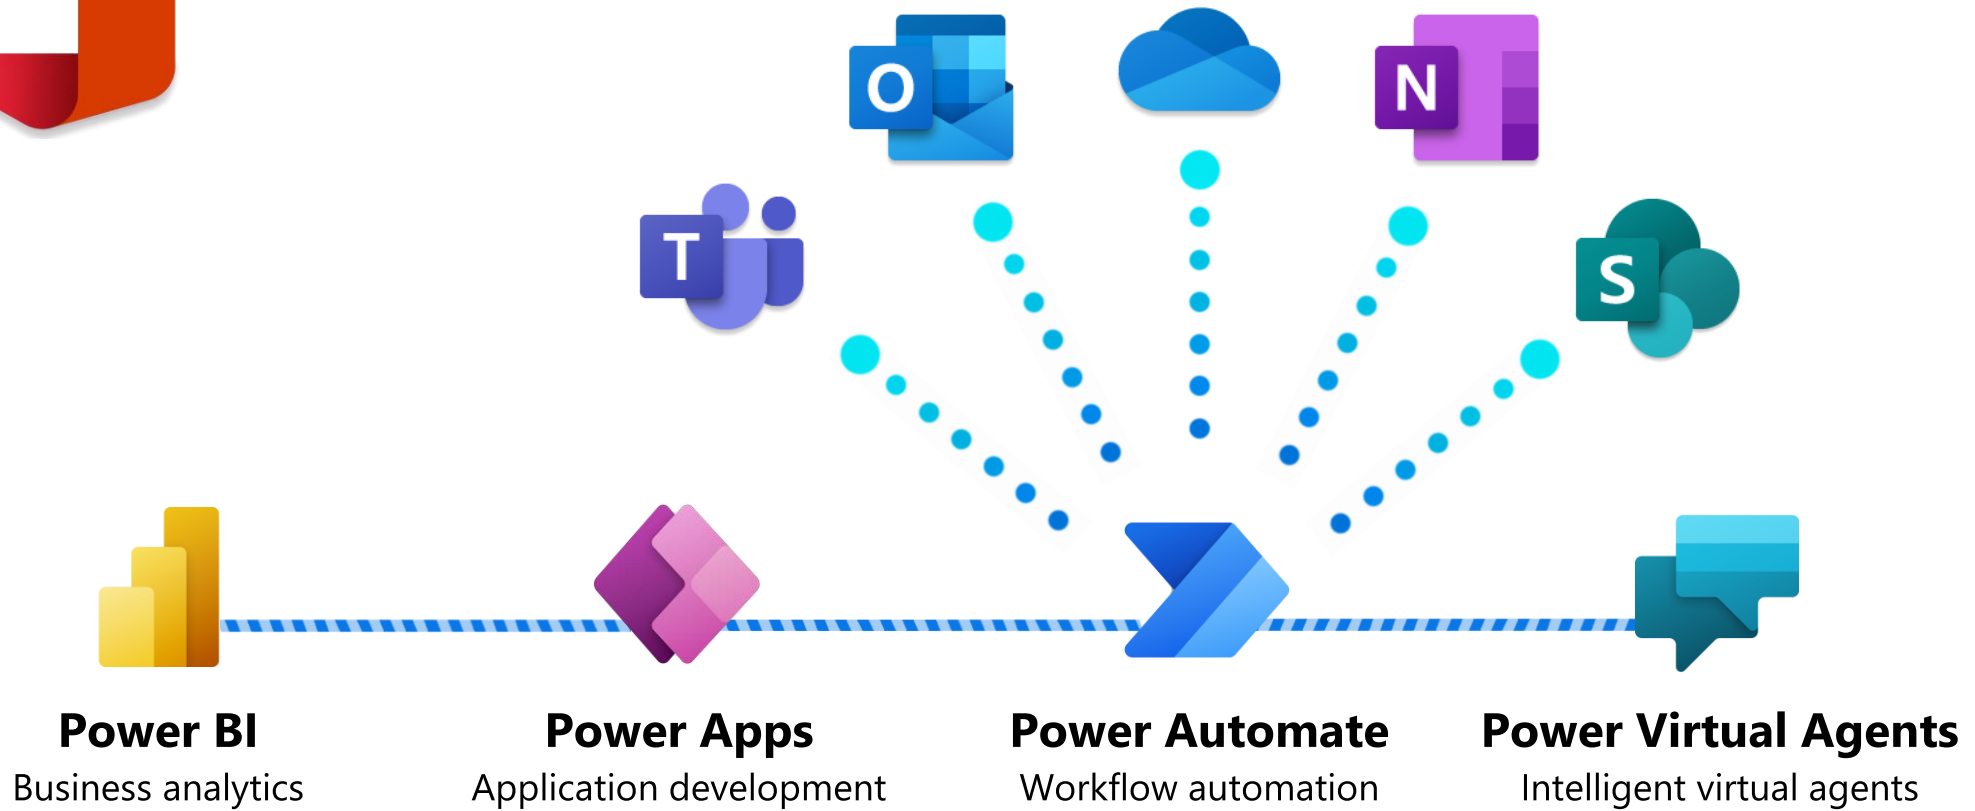

Standardized
processes

Improved
employee
satisfaction

Innovation anywhere. Unlocks value everywhere.

"Power Automate sangat memudahkan kerja guru. Kini kirim rapor, sertifikat, dan dokumen lain secara massal jadi gampang. Power Automate memang powerful"

Agus Dwianto, M.Pd – Guru SMPN 1 Baturetno Kab. Wonogiri

"Dengan Power Automate, mendistribusikan sertifikat, mengirim email spesifik secara otomatis, hingga persetujuan dan pengarsipan surat pun menjadi mudah."

Yandri Soeyono, S.Si., M.Pd – Guru SMA Negeri 3 Maluku Tenggara

"Power Automate memungkinkan kita mengelola, mengolah, dan mengirim data dengan menghubungkan berbagai tools Microsoft 365 dengan konektor yang tersedia. Kita bahkan bisa membuat konektor custom dan GUI user friendly tanpa coding."

Tri Budi Santoso, S.Pd – Guru SMK Negeri 2 Purbalingga

Case Study – Sekolah Lentera Harapan
